

HITACHI VEINID
HARNESSES **BIOMETRIC**
AND CRYPTOGRAPHIC
TECHNOLOGY TO
INCREASE SECURITY IN
THE BANKING SECTOR.

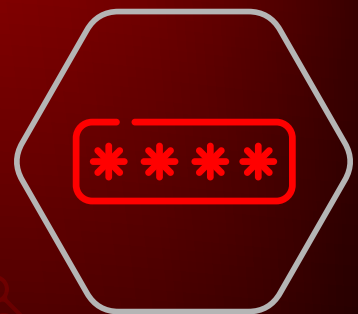

VEINID

Are you **currently using**
Gemalto **chip & PIN** payment
authentication or are looking to
step-up security?

Do you have an **appetite for**
Biometrics or want to **stop**
using password/pin as your
password policy means people
write passwords down?

Have you recently been
a victim of fraud?

THE HITACHI **SOLUTION** SIMPLIFIES THE PROCESS

DIGITAL SECURITY
PORTFOLIO
